

3rd EdTech

SPRINT WEEK

Are you an EdTech startup, teacher, entrepreneur or developer that is passionate about leveraging technology to improve education in Namibia?

- Accelerate the growth of your startup during a week-long series of workshops & intense one-on-one consultations with experts who will help you hammer out the details of your business & get your startup into the best possible shape.
- Experts will work with you & challenge you on key aspects of your business including your business and product strategy, your understanding of users' needs, education impact, and investor pitches.
- The top performing startup will win **EUR€150** & compete to join the Injini incubation programme and stand a chance **WIN** seed capital to the value of **N\$100000**.
- Come prepared to work extremely hard - we highly recommend that at least 2 key members of your startup participate.
- The top 6 EdTech businesses will get a **FREE** office space at NBII for a period of **3 months**.

Dates: 16th – 20th March 2020

To apply, request a detailed call for application from Mr. Hasekiel Johannes at hnojohannes@nust.na and follow this link <http://nbii.nust.na/?q=injini-edtech-sprint-week> to apply.

Namibia Business Innovation Institute (NBII) , The Innovation Village, 1-3 Glück Street, Windhoek, e: nbii@nust.na , w:www.nbii.nust.na
