

# Do you have the big idea that will give us Namibia's next business enterprise?

Do you dream of running your own business empire one day? Do you have a solid business plan? **Sanlam Innovation Works**, an initiative by Sanlam and its partners, Namibia University of Science & Technology (NUST) and Namibia Business Innovation Institute (NBII) have the big break you have been waiting for. Submit your business plan and stand a chance of getting funding of N\$50 000 plus valuable mentoring and nurturing from business experts if you make it into the top 5. The winner will also get an additional N\$25 000. Email [ekavihuha@nust.na](mailto:ekavihuha@nust.na) to get an entry form and enter today! T&Cs apply.

## Entry Form

**Please provide a short CV or profile of the management with a focus on entrepreneurial experience, corporate experience and applicable technology experience.**

### Rules:

- ① The Business Plan has to be prepared by the individual/s in their personal capacity.
- ① Submission Deadline is 15 February 2019. No late submissions will be accepted.
- ① The top 5 business plans will be selected from all received entries by 28 February 2019. Only the top 5 participants will be contacted if selected.
- ① By entering this competition the identities of participants and the content of the business plan submitted will be considered to be in the public domain and accordingly, can be used by Sanlam, NUST and NBII for marketing and public relations purposes only.
- ① The project is open to Namibian citizens aged 18 and older.
- ① Include copy of ID.
- ① No business plans will be returned.

**Please submit your business plan and entry form to: The Innovation Village 1-3 Gluck Street Windhoek West or e-mail [ekavihuha@nust.na](mailto:ekavihuha@nust.na)**
