

Nominate Your Startup Hero Now!

2018

The Namibia Business Innovation Institute (NBII) in partnership with the Southern Africa Startup Awards (SASA) is pleased to introduce a new independent start-up ecosystem competition to Namibia. The world-renowned Global Startup Awards, the largest in the world, is now in Southern Africa through the SASA competition. We reward innovation and excellence fostered through best international practice.

Empowering Possibilities

Bringing together talented entrepreneurs, investors, and other thought leaders in the world of technology and business. We are seeking to further partnerships with individuals and corporates in Namibia.

We invite nominees in any of the 15 categories of this competition.
