

BOOST UP SETUP

“ This is a great opportunity to improve your pitching skills before applying to or participating at pitching events and competitions. ”

ARE YOU:

- ✔ an early-stage startup?
- ✔ **using technology to solve a societal problem?**
- ✔ looking for skills that could help you articulate your ideas?
- ✔ **ready to commit time and availability?**
- ✔ welcome the opportunity to attend free coaching events?

The BOOST UP: Set Up Event is the official opening of the 3-part series of events leading up to SLUSH 2019 in Helsinki, Finland. We will also be sharing really cool practical tools to help package your business idea and develop a pitch to get partners and to speak to your target market! There will be a panel discussion on Technology and Entrepreneurship.
